

TECNIS 173 table light/twin

Desktop-Monitor

TECNIS

„visulutionary“

['vɪʒu'lu:ʒənəri] ADJ:

describes the feeling and impression
you get when you use unique integrated
monitor solutions from ELEMENT ONE™.

TECNIS 173 table light/twin

Desktop-Monitor

“What is TECNIS?”

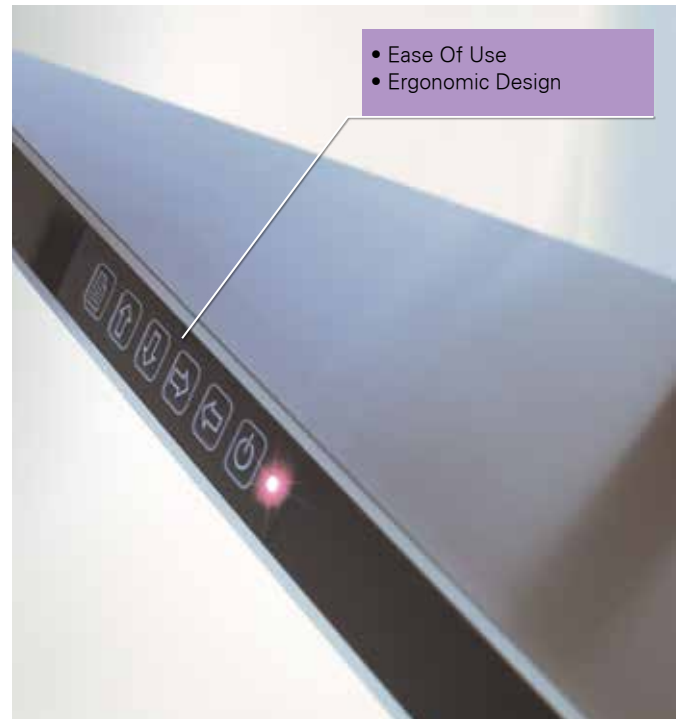

The TECNIS Table Light is a desktop monitor & a design piece for discussion. Whether as a stand alone device on your desk or as a complement to built-in electromechanical CONVERS, MODIS, VERSIS or ROTATIS in the communication space:
The TECNIS table light is an eye-catcher in the truest sense of the word.

A design first & fully customisable.
Compact & easy to bring into room design.

MADE IN GERMANY.
More than 15 years know-how in monitor-design.

Warranty 5 years mechanics,
2 years electric and electronic,
10 years spare part availability.

Sleek. Silent. Svelte.
Handcrafted & tested to ensure the highest standards.
Reliable partner with solid repeat business across diverse client fields. Global references and project experiences.

- Ease Of Use
- Ergonomic Design
